

**Honor:** *The most cherished principle of the Cadet's life.*

**The Honor Code:** *A Cadet does not lie, cheat, or steal, nor tolerate those who do.*

*From Cadet handbook, The Guidon*

**The Citadel:** *An institution of higher learning, to mold our minds, morals, and bodies into officers and better civilians of our country. More than that, however, it is a fortress of duty, a sentinel of responsibility, a towering bulwark of rigid discipline, instilling within us high ideals, honor, uprightness, loyalty, patriotism, obedience, initiative, leadership, professional knowledge, and pride in achievement.*

*From Cadet handbook, The Guidon*
