

Leader's Training Course

LTC is a four week course of intense classroom and field training held in the summer at Fort Knox, KY. This course is an accelerated version of the two years of leadership development training Cadets receive in the Basic Course. Once you complete LTC you qualify to enroll in the Army ROTC Advanced course on-campus. Click the following link to learn more.

Army Nursing

Army ROTC provides the opportunity for Cadets interested in an undergraduate nurse program to become an Army Nurse and officer. This program provides both financial support and the opportunity to serve your country as a leader and Army Nurse. Click the following link to learn more.

Army Civilian and Corporate Partnerships

For those Cadets interested in serving as an officer in the National Guard or Army Reserve, the Army has developed two programs that partner cadets with civilian employers. Click the following links to learn more.
