Thesis: Comparison Between Different Frequencies of a Physical Fitness Program for Female College Students
- B.P.E.** National Academy of Physical Education, Athens, Greece, 1974. Concentration: Physical Education and Sport (Teaching & Coaching Certified)

**TEACHING**

**APPOINTMENTS**

**September 2000-To Date** **Tenured Associate Professor** at The Citadel, Department of Health, Exercise, and Sport Science. **Departmental duties include(d):** Sport Management Program Director, Sport Management students' Academic Advisor, Volleyball, Weightlifting, Fly Fishing & Skateboarding Clubs Faculty Advisor, and Advisor of the Health, Exercise, and Sport Science Majors Club. **Additional departmental & institutional duties included:** Academic Advisor of November and F-Troop Companies, member of Education Committee of The Citadel, member of Retention and Admission Committee of the Education Program, member & past-chair of Curriculum & Instruction Committee, member of Faculty Development Committee, ex-Chair of Faculty Council, ex-officio member of Academic Board and Graduate Council, Chair of Research Committee, member of Sabbaticals Committee, and member of a number of departmental and

institutional task force committees. Finally, **ADEPT** (Assisting, Developing, and Evaluating Professional Teaching) certified.

**August 1997-August 2000** Visiting Assistant Professor at The Citadel, Department of Health and Physical Education. **Departmental duties include(d):** Sport Management Program Director, PE students' Advisor, Advisor of Men's Volleyball Club, Academic Advisor of November Company, and Advisor of the Physical Education Majors Club. **Additional departmental & institutional duties included:** member of Education Committee of The Citadel, and member of Retention and Admission Committee of the Education Program, as well as member of departmental ad hoc committees.

**July 1990-July 1997** Assistant Professor of Physical Education, promoted to Associate Professor (Spring 1994), at Bradford College, Bradford, MA. Taught courses related to Personal Health and Fitness (Wellness), Physical Education and Sport Activities as well as courses of Global Perspectives with a theme of "Society and Sport", centered around Cultural and Sociological Aspects of Sport; and a Human Studies Senior Seminar, leading to a Senior Project course. *Developed a Minor in Sport Management*, which began during the Academic Year 1993-1994, and which combined theory and practicum. **Departmental & institutional duties included:** served as member of several Committees and Task Forces, namely: Task Force of Multiculturalism, Task Force of Student Evaluation, Task Force of Facilities' Use, Curriculum Committee, Education Committee, Chairs' Committee (Academic Board), Academic Review Committee, Library Committee, as well as Advisor & Instructor of the Bradford Portfolio, required by all first and second year students, and Advisor of the Science Club.

**Summer 1988** Physical Education Consultant for the Ministry of Education of Greece. Advised on methods of improving and updating Physical Education programs in elementary, middle and secondary schools. Also, advised on developing athletic secondary schools for student-athletes in different regions of the country.

**1987-1988** Physical Education Director for the Doukas School in Athens, Greece (K-12). Responsibilities included: planning, introducing, implementing and overseeing Physical Education

curriculum for all grades; evaluation and hiring of instructors; and conducting educational seminars in Physical Education for classroom teachers.

**1986-1987**

**Physical Education Instructor** at Southeastern College in Athens, Greece. Taught courses of Volleyball, Basketball and Physical Fitness.

**Physical Education Teacher & Department Chair** at the Hatzidakis School in Athens, Greece. Taught elementary and secondary levels. Administer and oversaw all intra- and interschool athletic programs, and provided guidelines for curricular implementations.

**1984-1985**

**Graduate Fellow** at Springfield College. Taught courses of handball and racquetball.

**1980-1981**

**Graduate Assistant** at the University of Cincinnati. Taught courses of racquetball and physical fitness. Also assisted in teaching volleyball and Track & Field courses.

**1978-1980**

**Physical Education Instructor** at the Gamble-Nippert YMCA in Cincinnati, OH. Instructed beginning diving, gymnastics, adult fitness, soccer, weight training and pre-school tumbling.

**1977-1978**

**Physical Education Teacher** at the 6th Boys' H.S. in Athens, Greece. Taught Physical Education classes for 7-12 grades. Coached (Head Coach) Volleyball, Track & Field, and Team Handball.

**ADMINISTRATIVE  
APPOINTMENTS**

**1997-To Date**

**Director of Sport Management Program and Concentration:** Duties include, besides advising all students concentrating in Sport Management, the creation and implementation of a new curriculum for Sport Management students that follows guidelines established by NASPE/NASSM. Created new courses to be implemented in new curriculum and established co-operation of School of Business for additional courses' inclusion into the curriculum. Currently heading the new curricula of Sport Management for both the Graduate (an MBA concentration in Sport Management, in co-operation with the School of Business, which was implemented in the

Fall of 2005), and Undergraduate levels. Participated in college-wide committees such as: Faculty Council (Chair), Research committee (Chair), Sabbaticals committee, Faculty Development committee, Core Curriculum Overseeing committee, Curriculum & Instruction committee (past Chair), Education committee, and Retention and Admittance committee for the Education program at the School of Education. Finally, acted as Faculty advisor for the Health, Exercise and Sport Science Majors club, scheduling and implementing monthly meetings, inviting guest speakers for these meetings, and scheduling and organizing educational trips to conventions, conferences and workshops for students majoring in Health, Exercise and Sport Science.

#### 1994-1995

**Athletic and Intramural Director.** Responsibilities included: revising philosophy of Athletics at Bradford; acting upon budgetary cuts introduced by the Board of Trustees and affecting operation of six women's and five men's sports; scheduling facilities and events for the Intramural program using local health club facilities; actively overseeing recruitment of student-athletes; and promote involvement of students in the day-to-day operation of the Athletics and Intramurals. Additional responsibilities included: searching for ways and means to fund a \$3.5 million Physical Education and Sports facility, viewed as necessary for the institution; promote Athletics and Intramurals to the students; and overseeing and actively participating in the daily administration of the two programs, acting as administrator, teacher, mentor, supervisor, coach and any other capacity called for by the unique nature of the institution's programs and budgetary restrictions.

#### 1990-1996

**Chair, Physical Education/Athletic Director/Intramural Supervisor (1990-1993).** Responsibilities: revising and implementing revisions of Physical Education curriculum to bring it closer to the institution's philosophy of a Liberal Arts curriculum; introducing new sport clubs every year with an increased student participation from 5% to approximately 30% of total student population; noting the lack of opportunity for sport participation of female students of the institution and introducing sport clubs geared to that population. Furthermore, involved in hiring, evaluating, and overseeing part-time personnel and coaches; scheduling events, officials, facilities, equipment, transportation, finances, etc.; responsible for recruitment, academic compliance and policy formation for student-athletes; sports

information and public relations for the sport clubs; overseeing facilities and equipment of Physical Education, Sports and Intramurals; evaluating and advising personnel of Physical Education, Sports and Intramurals; scheduling use and rentals of Physical Education facilities for various activities of students and surrounding community members; and overseeing the implementation of Athletics and Intramural programs geared towards maximum student involvement and participation. In the fall of 1993 I voluntarily stepped down from Athletic Director due to an increased overload in my Academic responsibilities, only to be asked to return in 1994 as interim Chair of Athletics and Intramurals..

**1987-1988**

**Athletic Director** for the Doukas School in Athens, Greece. Responsible for evaluation and hiring of coaches; administration of facilities and equipment; and public relations. Duties also included the administration of the Team Handball team of the school, which competed in the national and international levels.

**1986-1987**

**Department Chair** at the Hatzidakis School in Athens, Greece. Administer and oversaw all intra- and interschool athletic programs, and provided guidelines for curricular implementations.

**10/74 - 6/77**

**Petty Officer** at the Greek Navy, stationed on a oceanographic ship. Responsible for the administrative duties of Captain's Office and personnel.

**COACHING**

**APPOINTMENTS**

**Fall 2002- Spring 2006**

**Head Cross-Country Coach** at First Baptist Church H. S. Successfully established a boys' team for the first time in the last 5 years for the school and guided that team to a sixth & seventh place finishes in the 2002, 2003 & 2004 SCISAA state meets.

**2001-2006**

**Head Track & Field Coach** at First Baptist Church H. S. Produced various state top finalists at various events at the SCISAA state meets. Coached all events in Track & Field.

**1990-1993 &**

**1994-1995** Men's Soccer, Men's and Women's Cross Country, and Men's and Women's Volleyball Coach at Bradford College. Under my guidance the soccer team won the Northern New England Small College Conference championship for three years in a row; the Men's Volleyball Team won the championship once and came in third place twice; and the Women's Volleyball Team won the championship twice and placed in third place once.

**1989-1990** Assistant Coach for Women's Volleyball at Northern Kentucky University. Responsibilities included assisting in practice and game situations as well as scouting and recruiting in a three states area.

**1986-1988** Head Track & Field and Cross-Country Coach for the "Ethnikos" Sports Club in Athens, Greece. Responsible for middle and long distance runners, novice to international levels. Voted twice as the coach with the most promising young athletes nationally. Coached one of these runners to the Sydney Olympics in 2000.

**1987-1988** Boys' and Girls' Volleyball Coach at Doukas School in Athens, Greece.

**1986-1987** Track & Field Coach for jumping events at the Naval Academy of Greece.

**1978-1980** Gymnastics Head Coach for the Gamble-Nippert YMCA in Cincinnati, Ohio.

**1977-1978** Track & Field, Team Handball and Volleyball Coach at the 6th Boys' H.S. in Athens, Greece.  
Track & Field Coach at the "Ethnikos" sports club in Athens, Greece. Responsible for novice to advance level athletes in all running events.

***An integral part of strategic planning for sport organisations: training employees.*** Published at International Journal of Sport Management and Marketing, Vol. 1, No. 4, 2006, pgs. 390-399.

***Student Portfolio: A Primer.*** A paper submitted for publication to SCAHPERD Journal, February 2003, accepted and published in Vol. 34, No. 1, pgs. 12-19 (electronic access through <http://www.scahperd.org/journal%20fall%203.pdf>).

***Showcase Portfolios.*** A paper submitted for publication to SCAHPERD Journal, February 2003, accepted and published in Vol. 34, No.2, pgs. 14-16 (electronic access through <http://www.scahperd.org/journal%20fall%203.pdf>).

***Greek Physical Education and Sport in the Nineteenth Century: 1821-1896. Part I: Initial and Progressive Years (1821-1854).*** The Journal of ICHPER\*SD, v. 39, no. 2, pgs. 8- 12. Reston, VA., Spring 2003.

***Greek Physical Education and Sport in the Nineteenth Century: 1821-1896. Part II: Evolutionary and Established Years (1854-1890).*** The Journal of ICHPER\*SD, v. 39, no. 3, pgs. 10-14. Reston, VA., Summer2003.

***Greek Physical Education and Sport in the Nineteenth Century: 1821-1896. Part III: The Pre-Olympic Years (1890-1896).*** The Journal of ICHPER\*SD, v. 39, no. 4, pgs. 8-11. Reston, VA. Fall 2003.

***Historical Research: Guidelines for Physical Educators.*** Journal of Physical Education and Sport, Salonica, Greece, 1989.

*Effects of Menstrual Cycle on Athletic Performance: A Research Review.* Journal of Physical Education and Sport, Salonica, Greece, 1988. (Co-author)

*Politics during the Formative and Initiative Years of the Modern Olympic Games: 1883-1896.* Published Doctoral Dissertation, Springfield College, 1985.

**PAPERS/RESEARCH**  
**IN PROGRESS**

*Put Me in Coach: Incorporating Sport Teams' Findings to Promote Business Work Teams' Performance* (co-author). Submitted for publication at Interscience Publishers' Journal of Business Management.

*"Providing Training for Student Portfolios - Training the Sport Management Student"*. A research that examines strategies and techniques to be used on training Sport Management students on how to create a professional portfolio that encompasses the three areas of training: affective, cognitive, and performance. (work in progress; to be submitted for publication as either a series of three monographs, or a book).

*If you seek them, they'll come I: Identification of Potential Citadel football home games attendees from the Charleston area.* A research on consumer behavior of Charleston residents non-affiliated with The Citadel. The research will examine interest of Charleston residents and incentives that can be used to bring them to The Citadel are sporting events, mainly football (in progress). Research expected to provide 1-2 articles for publication on subject of *"Identifying Potential Customers to the Athletic Events"*.

*Reasons for Out-of-Town Participation in Races of Runners.* A research to identify underline reasons that runners are willing to travel more than 60 miles to an out-of-town race. It is assumed that information revealed from this research will be of assistance to local, regional and/or national level race directors, who could then concentrate more on potential participants for their races. Such information could also potentially be helpful to metropolitan areas' development directors (in progress).

*Recreational Programs Interest Survey of Folly Beach Residents.* A survey to determine recreational activities to

be offered by the Folly Beach Recreation Department, which meet the interests of the members of the community (in progress).

**Economic Impact of The Citadel Home Football games on the Charleston Area.** A research examining the economic impact of the home football games of The Citadel on the area (work in progress).

**Economic and Other Impact of the Cooper River Bridge Run on the Greater Charleston Area.** A research and hopefully 2-3 papers based on research done in the last two years; examination of impact such as behavioral changes in lifestyles, quality of life added, etc., in addition to the race's economic impact on the area (work in progress).

**Graduate studies in Sport Management: MBA or MS?** A paper examining the field of Sport Management as it has evolved through the years. With increased involvement of Business schools into the field of Sport Management, a question rises as for the school/department that ought to house a graduate program in Sport Management.

**Local Industry Survey Part I: Skills and attitudes required for employment by the Greater Charleston area Sport Teams.** A research project that examines skills and attitudes valued by the local professional teams (survey formulation stage)

**Local Industry Survey Part II: Skills and attitudes required for employment by the Greater Charleston area Parks & Recreation.** A research project that examines skills and attitudes valued by the local city and county Parks & Recreation agencies (survey formulation stage).

**Local Industry Survey Part III: Skills and attitudes required for employment by the Greater Charleston area Health and Fitness Clubs.** A research project that examines skills and attitudes valued and sought after by the local Health & Fitness Clubs (survey formulation stage).

**If you seek them, they'll come II.** A research on consumer behavior of Charleston residents non-affiliated with The Citadel. The research will examine interest of Charleston residents and incentives that can be used to bring them to The Citadel's sporting events, mainly basketball and baseball.
