

CLUB SEATS COMING SOON!

The importance of the stadium revitalization to The Citadel and to the greater community cannot be understated. As the largest stadium in the Southern Conference, commanding one of the highest attendances in the nation, the revitalized stadium, with its new club seats and suites,

will send a clear and powerful message about our commitment to the very best—in academics, athletics, and community leadership. Once the stadium debt

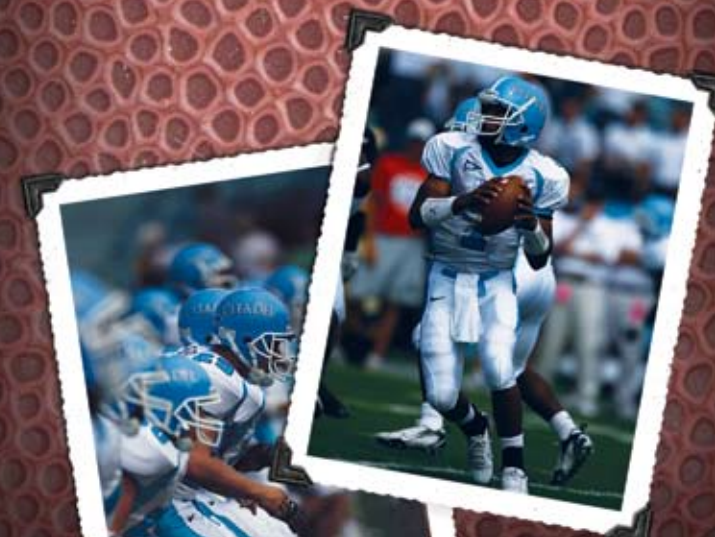

is retired, Johnson Hagood will become a revenue generating facility, continuing to enhance our athletic and academic programs.
