

Credit Options for your Personal Seat Licenses

For those who currently own PSLs, we are offering an opportunity to receive credit for your PSLs towards the purchase of club seats. When determining if you want to participate in the credit process, please consider the three options below.

1. **BANK** your PSLs...

- This option is only available to PSL holders who have paid in full with no outstanding balance.
- You retain the rights to PSL seats **but not necessarily your original seats.**
- If you decide not to purchase club seats the following year, you will be able to sit in the PSL section again without incurring any cost.
 - Banking your PSLs guarantees you a seat in the PSL section.
 - Blue seats are based on availability but you are guaranteed white seats.
 - If the Blue Section is completely reserved, you will be placed at the top of the priority list to move into the Blue Section when seats become available.

2. **RELINQUISH** your PSLs...

- You will be credited the amount you have paid to date on your PSLs.
- The total amount credited will be divided among four years.
 - Each year you purchase club seats (up to four consecutive years), you will receive a 25% credit (based on amount paid to date for PSLs) towards the club seat cost.
 - Example: John Smith owns four PSLs. He has only paid \$1000 of his \$4000 pledge for the seats. He will receive a \$1000 credit towards the purchase of club seats. However, the credit will be divided over four years. Therefore, he will receive a \$250 ($\$1000/4 = \250) credit toward the purchase of club seats each year for the next four years.
 - After four years, you will have received full credit for your PSLs.
 - If you choose not to purchase club seats for four consecutive years, you will lose your remaining credits.
- If you decide not to renew your club seats and you still have PSL credit remaining, you can apply the remainder of the credit to the purchase of new PSLs.

3. **RETAIN** your PSLs...

- You will retain the rights to your PSL seats.
- You will not receive any credits toward the purchase of club seats.
